Report of Compliance Officer
On Comcast Compliance with Comcast-AT&T Merger Order Safeguards ("Safeguards")
May 18, 2007

**Re: Applications for Consent to the Transfer of Control of Licenses from
Comcast Corporation and AT&T Corp., Transferors, to AT&T
Comcast Corporation, Transferee, MB Docket No. 02-70.**

A. Background

On November 17, 2006 (as supplemented on December 5, 2006) I submitted the eighth semi-annual Compliance Report ("Report") as Comcast's Compliance Officer as required by the Safeguards detailed in Appendix B of the Merger Order in the above-captioned proceeding. Today's Report covers the period from November 17, 2006 through May 18, 2007.

B. Process

As Comcast's Compliance Officer, I have been authorized to conduct any investigations necessary to perform the duties of my position, and no limitations have been imposed on my ability to conduct such investigations.

On November 3, 2006, I prepared, with the advice of counsel, a memorandum summarizing Comcast's obligations under the Safeguards. This memorandum was addressed to the senior executive officers of Comcast and the senior executives of Comcast's video programming businesses, and was distributed to approximately 71 officers and executives of Comcast and its subsidiaries and affiliates. Each officer and executive was instructed to review the memorandum; distribute a copy to all other appropriate Comcast employees and take necessary steps to assure that these employees comply with the Safeguards; report any instances of potential noncompliance; and return to me a signed acknowledgement that he or she has performed these requirements, and that he or she personally understands, will comply with, and, to date, has complied with the Safeguards. In addition to imposing the above requirements, the memorandum encouraged all Comcast employees to contact Arthur R. Block, General Counsel for Comcast, or myself, if they had questions regarding the Safeguards.

C. Results

As indicated in the supplemental report, I have received and reviewed signed acknowledgments of compliance with the Safeguards from officers and senior executives of Comcast and officers and senior executives of Comcast's video programming subsidiaries and affiliates.

D. Conclusion

I have evaluated Comcast's compliance with the requirements of the Safeguards from November 17, 2006 to the present, and based on this evaluation, I can report that Comcast has complied with the Safeguards. As noted, my investigations, analysis, and opinions regarding Comcast's compliance with the Safeguards have in no way been restricted or limited by Comcast. I personally am unaware of any potential acts of noncompliance, and the acknowledgements returned to me by Comcast officers or executives certify that such acts have not occurred by those officers or executives, that those officers or executives are unaware of any acts of noncompliance, and that those officers and executives have ensured that other appropriate Comcast employees are aware of the Safeguards and have not engaged in such acts of noncompliance.
